VICTORY LOAN DRIVE

Over-All quota assigned to Randall County for the Victory Loan Drive	\$125,000.00
Total sales and allocation credits for the period Oct. 29, through Dec. 8	\$207,556.25
Additional sales Dec. 10 and 11	5,437.50
Amount in excess of Over-All quota	212,993.75

E BONDS QUOTA

E Bonds quota assigned to Randall County for this Drive \$	\$80,000.00
(This being part of the Over-All quota)	
Total sales and credits for the period Oct. 29, through Dec. 8	\$83,706.25
Additional sales E Bonds Dec. 10 and 11	5,437.50
Amount in excess of E Bonds quota	9,143.75

Advice has been received from State Headquarters Office that this County has been given an allocation credit of \$4,300.00 for Series E Bonds purchased by Service men. This allocation credit was made on the basis of population and the amount is included in the above totals.

The additional sales of E Bonds on Dec. 10 and 11 are shown in the above statement and we are advised that sales reported to the Federal Reserve Bank by Dec. 31 count officially. Further additional purchases should be completed by December 29, in order to allow for time in forwarding reports.

Final report on the Drive will be made as soon as the tabulations report is received from State Headquarters Office at the close of the month.

Regents Authorize Start Work on Buildings

Completion of Randall Hall Will Be Started; Library Is a "Must"

Members of the Board of Regents, meeting here with President J. A. Hill Saturday, took steps to hasten the beginning of West Texas State's \$600,000 building program—action needed to solve an acute local housing shortage.

A contract was made with C. S. Lambie of Amarillo for the completion of the annex to Randall Hall. The contract contemplates an expenditure of a little more than \$80,000, equipment not included. It also calls for the completion of this job by June 1, 1946.

Canyon Coldest Spot in Texas

Temperature Dropped to Six Above Monday a. m. Was Local Registration

The coldest spot in Texas Monday morning was none other than Canyon.

While the temperature registered 11 degrees above zero at Amarillo Monday morning, the mercury stood at 6 degrees above zero in Canyon. This was registered at the West Texas Gas office. Charley Duval is being accused of putting ice on the thermometer in order to sell some gas.

The cold wave of Sunday dropped the temperature to 29 degrees, which was the highest mark of the day.

The temperature has slightly moderated since that time but this is by far the coldest period of the winter.

Lumber For the Veterans Proposed by Association

Lumber dealers of Texas will try to alleviate the critical shortage of housing for returned war veterans by adopting a voluntary policy of self rationing of their limited stocks to provide homes for returnees. It was announced this week by Lynn Boyd, President of the Lumbermen's Association of Texas.

"At the present time lumber stocks are unavoidably low in most of Texas' retail yards due to strikes, shut-downs, labor shortages at the sawmills, and especially the tax reductions coming in 1946; however, indications point to freer movements of materials during the first quarter of 1946, including brick, shingles and lumber. Right now lumber dealers are channeling every stick of lumber possible for the building of G. I. homes," Mr. Boyd stated. "This means that in cases where less urgent requests for building materials arise, G. I.'s will be given priority. This policy of aiding the returning soldiers will be continued by members of the Lumbermen's Association of Texas until the housing shortage has been overcome, and building materials become abundant once again."

The units will be moved to the campus from Borger and Amarillo and made ready for occupation at the institution's expense, Dr. Hill says. The college's responsibility will be to provide for their operation, upkeep, maintenance, rules and regulations, and connections of (Continued on page seven)

Farmers Named Committeemen

Elections in Communities by Farmers Name Representatives for Coming Year

Community elections were held last week to name community committeemen for administration of the Farm Program of the Production and Marketing Administration (P. M. A.) which has been known, in the past, as the AAA Program. The change in name is part of the reorganization of the Department of Agriculture which is now being made.

The county unit is known as the Agricultural Conservation Association and is administered by a county committee with the help of community committeemen.

In Randall county there are seven such community committees. Committeemen elected to serve for the coming year are as follows: Canyon: J. W. Spencer, Chairman, T. C. Gooch, Vice-Chairman, Clem Dugan, Member, Newton Crain, Alternate member.

Sunny Hill and Fairview: A. E. Wise, Chairman, Marion L. Davis, Vice Chairman, H. P. Ratjen, Member, S. L. Robinson, alternate member.

Jowell: John L. Hammond, Chairman, Ross Craig, Vice-Chairman, O. M. Scott, Member, Roy N. Byrd, alternate member.

Umbarger: Raymond Batenhorst, Chairman, Chas. J. Beckman, Vice-Chairman, Anton Handing, member, Ben Koch, alternate member.

Highland: Carl B. Fuqua, Chairman, L. E. Mason, Vice-Chairman, Emil Olson, member, E. E. Sharp, alternate member.

Trigg and Zita: B. E. McCormick, Chairman, Wilson Campbell, Vice-Chairman, Wayland Angel, member, H. W. Burrus alternate member.

Burch and Stone: C. B. Erwin, Chairman, Freeman L. Keeter, Vice-Chairman, E. L. Barnett, member, W. S. Bennett, alternate member.

Representatives of the various communities met yesterday in the committee room of the county agent's office and named the following county committee to serve for the coming year: R. B. Gist, Chairman, John Bedenk, Vice-Chairman, W. O. Turpin, member, Ross Craig, first alternate member, B. E. McCormick, second alternate member.

The new Production and Marketing Administration will carry out all the soil conservation and adjustment programs formerly carried by the AAA and in addition will administer the market support programs for agriculture, such as, commodity purchases and the price support loans on grain and other crops, as well as, the temporary subsidy payments to producers.

Community committeemen look after the interests of producers in their own communities and serve in an advisory capacity with the county committee.

Meetings of the county committee are held at least once per month and general meetings of all committeemen are held on call of the county chairman.

Sgt. and Mrs. Scott On Visit Here

1st Sergeant and Mrs. James H. Scott arrived Saturday afternoon to spend Christmas in the home of Mrs. Scott's parents, Mr. and Mrs. Guy B. Tabor.

Three Killed by Car-Train Wreck

Residents of Hart Hit by Passenger Train Last Wednesday Afternoon

On last Wednesday afternoon the rail road crossing 4 1/2 miles South of Canyon was again the scene of a fatal wreck.

Joe M. Durham of Hart, Texas was returning home with his sister-in-law, Mrs. Cloe Dell Durham, and her 1 1/2 year old son when the pickup was hit by a train.

Both Mr. and Mrs. Durham were killed instantly. The baby died at 10:15 that evening in St. Anthony Hospital where he had been taken for treatment.

Mrs. Durham, 33 year old wife of H. C. Durham was buried with her baby from the Church of Christ in Plainview, Saturday afternoon.

She is survived by her husband, 3 daughters: Ruby Dell, 13; Lena Fay, 11; and Bertie May, 10; 1 brother and 7 sisters.

Joe Marvin Durham, 35 years old was buried December 9 from the Church of Christ in Plainview. He is survived by 4 brothers and 4 sisters.

Mother of Elbert Robinson Died at the Family Home

Lillian Isadora Stonum was born at Lisbonville, Mo., Jan. 24, 1963. On Feb. 27, 1881, she was married to George Edgar Robinson. To this union were born 2 sons, John Elsworth, who died in early childhood; and Elbert Clarence with whom she was making her home at the time of her death. Mrs. Robinson was converted at an early age and she and her husband united with the Christian Union Church in Ray Co., Mo.

She and her husband continued to live in Missouri until the fall of 1909 when they moved to Hemphill county, Texas. They lived there until the fall of 1932 when they moved to Randall county. Her husband passed away March 15, 1941.

She is survived by three brothers and one sister all of Missouri; one son, Elbert C. Robinson; six grand children, Mrs. C. D. Pyeatt and Mrs. J. W. Mathis, both of Canadian, Texas; Mrs. A. N. Southall, Jr. of Oakland, Calif.; Mrs. Esther McCleery, Long Beach, Calif.; William Edgar Robinson, Keesler Field, Miss.; and John C. Robinson of Canyon. There are also seven great grandchildren.

She was a good wife, a loving mother and a wonderful friend. Her thoughtful concern for others was one of her outstanding characteristics. Though she is gone, the loving faith she had in her Maker will long be an inspiration to all who knew her.

Veterans To Get Christmas Gifts From Citizens

Remember the ones still in the hospital.

More than 500 men, casualties of this and the last war, are in Amarillo hospitals. Their Christmas is largely in the hands of the people of this vicinity. Gifts should range around a dollar in value. They should be wrapped and bear your name.

A box is at Thompson Hardware and these gifts will be collected there by members of the American Legion and delivered to the hospitals.

Don't forget the men who gave!

Deadline is Near on Payment of All Subscriptions

The time for renewals to daily newspapers is short. Reduced rates will end on December 31. Prices will advance on January 1.

For instance the rate on the Amarillo News is now \$19 per year, for renewals only. Old subscribers who renew during December may secure the Amarillo News and Canyon News for \$11.50. On January 1 the price of the Amarillo News will be \$12 per year. No new subscriptions can be taken at the present time because of paper scarcity.

Douglas Walker Is Promoted

PFC. DOUGLAS J. WALKER

Pfc. Douglas J. Walker has just been elevated to that rank in the Headquarters Company of the 2nd Battalion Unit "B" at the Separation Center, Camp Atterbury, Ind.

Pfc. Walker is the son of Mr. and Mrs. Du Bois Walker. He entered the service on July 2 last. He graduated from Canyon high school in the spring of 1944 and was working at the Consumers Service Station when inducted into the service.

Women Thanked For Cookies to Veteran Hospital

The following letter has been received by Mrs. Bessie Melton:

December 7, 1945.

Home Service Chairman
American Red Cross
Randall County Chapter
Canyon, Texas

Dear Home Service Chairman:

In a letter such as this we can not begin to tell you how much the continued faithfulness of Randall County women in bringing cookies has meant to the patients here.

These boxes of cookies every week represent hours of work, we know. We only wish that the women who spend this great amount of work could be here when our Gray Ladies distribute the cookies. Because they are homemade, they are one of the most popular contributions here at the hospital.

Writing for the patients here at the hospital, we of the American Red Cross staff wish to say again thank you.

Sincerely yours,
(Miss) Verna Emanuel
Head Recreation Worker
Regional Hospital.

Sister of Mrs. C. L. Thompson Died Last Wednesday

On Wednesday afternoon of last week Mrs. Clarence Thompson received word that her sister, Mrs. Aubrey Browning had died quite suddenly.

Mr. and Mrs. Thompson attended the funeral at Winsboro on Friday. Mrs. Browning will be remembered as Miss Esther Cook.

Mr. and Mrs. W. H. McAtee, Mr. and Mrs. T. N. Tippery and baby and Mrs. Lee Chandler of Sayre, Okla., returned Thursday after having spent 10 days visiting relatives and friends in Arkansas, the birthplace of Mr. McAtee and the home of Mr. Tippery's parents.

Cpl. Leavorn Thurmon, W A C daughter of Mr. and Mrs. T. M. Thurmon, arrived home from Indiantown Gap, Pa., Saturday to spend a 15 day furlough in the parental home.

D. Williams of Dallas visited Tuesday in the home of W. T. Wilcher.

Wright Pleased by Fine Response

Randall County Has Again Completed Quota Called by the Needs of the War

Randall county has done it again! The quota for the Victory Bond Drive has been passed, and the citizens of Randall county are still buying bonds.

The quota for E Bonds was passed Saturday. But heavy sales continue and all E Bonds which are sold up to Dec. 29 will be counted in this drive, states County Chairman R. H. Wright.

Mr. Wright expressed his appreciation yesterday of the fine cooperation which had been given throughout the war by citizens of Randall county. The treasury department announced that this would be the last drive on bonds. Just what method of government financing would be used after January 1 is not disclosed.

Mr. Wright is highly pleased with the work done by the members of his County Committee, and the schools of the county, which worked so faithfully during the drive.

Court of Honor Was Held Tuesday by Scouts

At the Court of Honor on Tuesday night at the Presbyterian Church Scoutmaster, Charles Duval, Troop 30, led the court, scouts, and visitors in the pledge of allegiance to the flag. Robert W. Jones, chairman, offered the invocation. Scoutmaster Duval presented the tenderloin awards to Joe Cook, Norris Root, Clyde Root, and Garland Butler. Burney Slack presented the second class awards to Tom Christian and Poin Adams. Dr. Harris Cook, chairman of Troop 30 committee presented the first class card and badge to Norris Root and Bryce Slack. Harry DeLashmunt, a new field executive of the Llano Estacado Council, presented John Cole with the firemanship, cooking, and first aid merit badges, and the star scout badge and card.

W. J. Hyatt, council executive, presented the Philmont Ranch Camp emblems to Joe Cook, Norris Root, Clyde Root, Garland Butler, John Cole and Bryce Slack. Gene Root presented the General MacArthur medal to the boys who had successfully worked a Victory Garden during the summer. Boys receiving the medal were Garland Butler, Tom Christian, Norris Root, and Clyde Root, all of Troop 30.

Cubmaster W. E. Miller presented to den chief cords to Bryce Slack, Clyde Root, and John Cole.

Mr. Hyatt made announcements about plans for scouting during the winter months. The court adjourned by repeating the scout benediction.

Capt. Ben Ezzell on Visit Here Monday

Capt. Ben Ezzell was in Canyon Monday visiting friends. He is an ex-student of West Texas State and former sports editor of The Prairie. He worked on several Panhandle newspapers before entering the army nearly 5 years ago.

Mrs. Ezzell and their 2-year-old son accompanied him here. He was in the Pacific when the son was born. He expects to receive his discharge in February and will go back into newspaper work.

MICKLES TO VISIT

Sergeant and Mrs. Ed D. Mickie, Jr. called his parents from San Antonio Thursday to say he had received his discharge from the Air Corps on Nov. 27. He joined the Air Corps immediately after Pearl Harbor and has been stationed at Orlando, Florida for several months.

They will spend the Christmas holidays with Mrs. Mickie's mother in San Antonio and will arrive in Canyon after the first of the year.

Editorials

A CHANGE FOR CANYON

As 1946 comes to an end, the people of Canyon are presented with many opportunities for service, real service to coming generations.

We have said since 1910 that West Texas State is the greatest asset of this county. In order to get the college, Canyon put up an unprecedented amount of money. During the past 35 years the citizens have responded nobly to the various improvements on the campus.

We have passed through a terrible war, but most people have made more money than usual, because of the war. We are thankful that the war has come to a close. It would be a great thing if all of the citizens should respond, by making great contributions of thanksgiving for the blessings that we enjoy. The opportunities are many, all of them are worthy and will make the college a greater institution and of greater benefit to the coming generations.

West Texas State needs many improvements. It cannot give adequate service to the youth of this area without these improvements.

There is probably no individual in Randall county who is in financial position to give a half million dollars to any enterprise or improvement for the college. But even if there should be some one individual who could invest a half million for the development of the college, it would be much better for the institution for 1,000 persons to give \$500 each. The college has been built upon mass interest and enthusiasm rather than the interest of one individual.

No one could be expected to be vitally interested in all of the projects which are needed by the college. Therefore, the opportunity for service is so varied that certainly every citizen may find one or more projects in which he feels a vital interest, and in which he wishes to make an investment. That investment may be one dollar, or it may be a thousand dollars, or even more. Regardless of the amount contributed these donations will all add up to a goodly sum, and will make certain the future of the institution.

Completion of the Museum building is a must. It will take \$60,000. While many Randall county citizens have made contributions to this enterprise, there is need for more money at once.

Dr. J. A. Hill has set out to erect a \$100,000 chapel building on the campus. This project has a wide appeal and liberal contributions are being made to the chapel. Those who have not made contributions to the religious future of the college could select no better place in which to invest their money.

The largest project for the campus is a \$400,000 library. It would be a wonderful thing if some Panhandle citizen should see fit to erect such a building as a memorial to a member of his family.

The need for a gymnasium has been felt for years. West Texas State has the best basketball team in the nation, with the poorest gymnasium facilities. The present building was largely erected by local contributions. The building is the best that could be built with the limited funds available. It would certainly be a wonderful thing if some citizen should contribute \$250,000 for such a gymnasium.

The housing facilities for students are entirely inadequate. The Board of Regents have decided to float a bond issue of \$600,000 for the purpose of building additional dormitory space. Citizens may not feel justified in making contributions to such a program, but no better investment could be made than the erection of a memorial dormitory which would be used for many, many years by students who are here to better equip themselves for life.

The opportunity for service is here. What will the people of Randall county do about it? We hope that citizens will respond to the call of service by mailing Dr. Hill checks to be applied to any of the above outlined projects, or any other project that you may have in mind.

The Young Democrats of Texas met last week to adopt a progressive platform. The group started out by slapping Lt. Governor John Lee Smith and his labor platform. Governor Stevenson was conveniently busy and could not attend. The boys whooped it up for Homer P. Rainey, who is a political possibility in the

campaign for Governor. It has been charged that CIO is behind the Young Democrats over the nation. At least the labor policy of President Truman was not endorsed. Demand for a new constitution for Texas was strong. Lowering the voting age to 18, and repeal of the poll tax were endorsed. As to the former, we think that it is unwise; and the latter must be done, under a decision of the U. S. Supreme Court. On with the battle. But you will not have a part in this great political fracas unless you pay your poll tax before January 31.

President Truman is making a supreme effort to set up an organization in the nation which shall be able to settle labor disputes without costly strikes. He proposes that each labor dispute be handled separately. This is the only sensible way of settling such disputes. Under his proposal the President would appoint a fact finding commission which would go into a thorough investigation of disputes. If the commission found that labor was entitled to 10% increase or 50% increase, such a recommendation would be made. If the commission found that the business or industry involved must increase its prices in order to give an increase in labor, such a recommendation would likewise be made. No two industries or businesses in the nation can operate on the same wage scale, or under the same yardstick. Some lines of business are more profitable than others; and it costs more to live in some communities than in others; therefore wages of necessity should be higher in these lines than in other lines. It seems to us that labor leaders are acting unwise in that they have turned thumbs down on the proposal. It seems that they have taken snap judgment, which leads to the suspicion that CIO, AFL, and UMW are determined to force through their program of increased wages regardless of the interest of the people who finally pay the bill. We feel that Truman would try to appoint fair and impartial members of these commissions. To say the least, it looks as if the union leaders would prefer to allow their members to continue at a fair wage rate than to force thousands of them to apply for a \$25 per week unemployment dole from the government. But that is just what is going on throughout the nation: families living on government substance when the heads of these families could be making big wages and producing goods which the people are needing.

We hear that Jerry Sadtler is going to run for Governor. His scheme is not bad. Friends say that he is going to make a quiet canvass of the state, visiting friends here and there. It begins to look like a name-calling campaign in 1946. Candidates will be at each other's throats early in the campaign. In such a state, Jerry will pump into the campaign rather late, and plow straight down the middle of the political road, ignoring all candidates. His thought is that the voters will become disgusted with the type of campaign which are being waged so that the conservative voters of Texas will flock to him. It is a good scheme—if it works. But the people like to get in a lather during a political campaign, and such being the case, Jerry may find himself with far fewer followers than he imagines.

It is predicted that tire rationing will end on January 1. That does not mean that you can go out and buy four new tires. There will be a scramble to find tires. Citizens throughout the nation are clamoring for OPA to be abolished entirely. If Congress does abolish this agency before reconversion starts a steady flow of goods to the retail outlets look out for inflation. Prices will pump the minute price control is lifted. White collared workers and those on salaries will be smacked in the face with a sudden increase in the cost of living. There is no denial of this statement.

Business men in every town are being warned against the gyp artists who are working so-called advertising schemes. One group tried to persuade a Canyon church to use its business office as headquarters

while working Canyon. Another group worked the town to sell fans for about ten times what they were worth. They rushed to the bank as soon as they got a check to make sure that the "victim" did not change his mind. Every town needs an advertising committee of the Chamber of Commerce which will carefully consider all schemes. If the scheme is approved, the committee would then give the solicitor a letter of recommendation. Local business men should not fall for these schemes unless letters of approval are secured. The trouble is that so very, very few business firms will ask for endorsements, and the solicitors know that they can put over their scheme without going to the trouble of submitting their scheme. Due to the fact that they always ask ten times a reasonable price for their scheme, they know that no sane local committee would endorse these money-grabbing schemes.

President Truman has agreed to a loan to Britain. The loan is made on a business basis, and terms agreed upon are thought to be building. It is pointed out by British leaders that unless we loan money to Britain the nation must barter among British colonies and other nations, which would wipe out our foreign market. In other words the monkey is on our back to put up the money, or trust to the future. Opposition is being expressed on both sides of the Atlantic. The British are opposed because the terms are too binding. There is the thought in England that we should give them the money, as we did during the war, and after World War I. Congressional leaders remember the fact that London refused to make settlement 25 years ago, and are wondering if the present contract would not be just another scrap of paper. So we see that regardless of the good intention of the President to make a valid loan, there will be a lot of political fireworks, and in the end the loan may not be made. If this is the case, we shall be left in a world of barter and haggling between nations. In such an instance, we shall be left out in the cold, cold world. America cannot compete under such a system because of the much higher standard of living which exists in this nation.

The Republicans are desperate. They met and issued a platform for the 1946 Congressional campaign which is largely lifted from the Democratic platform. In other words, they approved everything good that has been accomplished by the Democrats, usually over the violent protest of Republican leadership. And then to be really funny, they seriously predicted that the Democratic party would be defeated at the polls in 1946. Just what the Republicans have to offer is not clear. During the administration of Roosevelt he was charged by the Republicans with indecision, because of his habit of putting decisions off; now they charge Truman with being too quick and rendering immature decisions. They charged Roosevelt with stacking the government with Wall Street bankers; and now Truman is stacking the government with mid-west "little" men. And so on, and on. The Republicans are bitter because they are not running the big show in Washington. Just how much better off the nation would be under Republican leadership is as clear as mud. But in regard to 1946, the leaders are mum. It is too early, they say, to run out their candidates. In other words, a race horse can run himself down in two years.

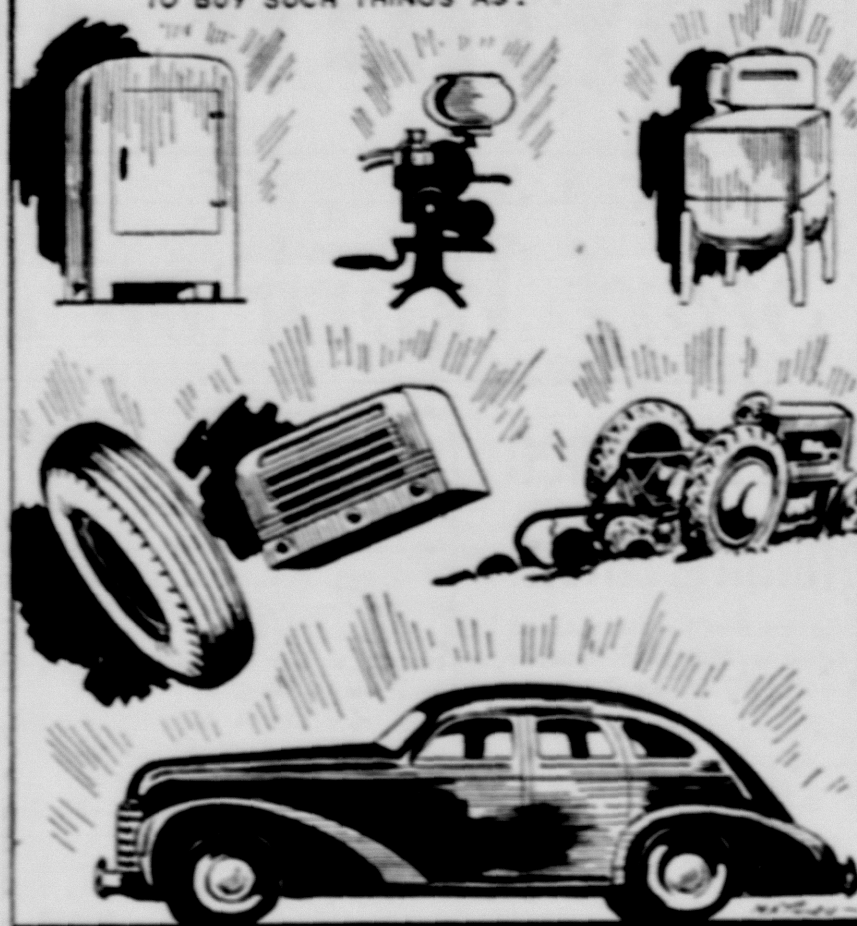

One of the University of Texas professors who was fired and brought on the big fuss over academic freedom has been taken back by the present Board of Regents. He promises to be good in the future. Which reminds us, no matter what kind of an institution it may be, a one-man peanut joint, or the University of Texas, there must be a boss. We are old fashioned enough to think that the president and professor of the University of Texas are not above, or beyond the control of the lawfully constituted head of the institution. This happens to be the Board of Regents. Maybe the former board was too hasty in firing those who would not adhere to the rules which it laid down. Perhaps a good lesson has been learned by those who kicked over the line of decency and lost their jobs.

Governor Stevenson likes to puzzle the people. He dropped a hint that he might run for Governor next year. Coke Stevenson is not in the habit of careless talk. Cool Calculating Coke does not say things which he does not mean. Through-

BUT UNTIL PRODUCTION MOVES INTO HIGH, THERE WILL NOT BE ENOUGH OF MANY OF THESE THINGS TO GO AROUND.

MEANWHILE, BY USING OUR MONEY WISELY—BUYING WHAT WE NEED BUT NOT COMPETING FOR SCARCER GOODS—CONTINUING TO BUILD UP OUR VICTORY BONDS, LIFE INSURANCE AND SAVINGS—WE WILL BE HELPING THE NATION TO GET BACK INTO PEACE-TIME STRIDE.

out the bitterness of the Roosevelt campaign, and the University of Texas squabble the Governor has been the target of innumerable brickbats. He has admitted nothing, nor denied any accusation. He is the type of man that Texas needs in these turbulent times. We doubt

very much if there is any one—even Pappy O'Daniel—who could beat the Governor if he decided to run for re-election.

Our interest in China is due to the great potential market which this nation holds for American in-

dustry. There is no denial of the fact that Russia has the same interest in future trade with China. Our industrialists plan building power plants, steel works and railroad facilities, which they would sell to the Chinese at the proper time. Russia has the same thought, and herein our interests clash. Dollar diplomacy sometimes involves the nation in unfortunate political situations.

The German people do not like us, so we are told. They do not like the military rule which has been imposed upon them. Poor dumb people. Just why they would pre-

fer the Hitler brand of rule and ruin; war and destruction; to peace and restoration of their country, is hard to understand. While Americans hate war, our nation is not afraid to fight when it comes to a matter of principle. The Germans seem to prefer war to peace.

Looks like our bombers have ruined all the plumbing in Tokyo because the newspapers say the Japs are reestablishing the Privy Council.

Buffaloes Lost to Sheppard Field Basketball Team Here Saturday Nite

The West Texas State Buffaloes in an exciting game with the Sheppard Field All-Stars of Wichita Falls finally had to bow to the visitors with a score of 56-42.

The Buff Cagers managed to keep right on the trail of the smooth playing All-Stars during the first half and about midway of the second quarter began a rally to pull out in front with a four point lead. Neil "Pinkey" Jackson scored two free shots to bring the Buffs ahead. Just before the end of the first half the All-Stars whittled the margin to a 2 point one. The West Texas Cagers led 30-28 when the final whistle blew to end the first half of the game.

In civilian use the Pre-Fab "Dallas Hutt" has become a "Homette."

What Is Christmas Without Toys?

There is no shortage of toys, although the trend has been toward mechanical or educational types. Dolls have not been forgotten, however.

Sister Kenny Call For Funds Extended to January

Campaign date for the Sister Elizabeth Kenny Infantile Paralysis Foundation Fund have been extended until January 1, throughout the nation, according to announcement received at State Headquarters from Bing Crosby, National Chairman. Due to lateness in getting organized in Texas, the extension of time was welcomed, George C. Francisco, Jr., Texas Chairman, said.

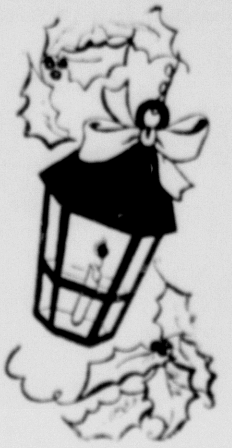

The campaign was originally scheduled to end on Saturday, December 8, which date had been proclaimed Sister Kenny Day by Governor Coke R. Stevenson.

The Texas quota in the campaign is \$250,000. Chairman Francisco has notified all county committees, school committees, and special com-

mittees at work in Texas cities, to continue their solicitations until January 1, or until they are completed.

Practically every chemical industry of any size is now represented in Texas.

Bandsters Will Present Christmas Concert

Bigger, smart in elegant new uniforms, and setting a fast pace in both musicianship and marching is the Buffalo Band of West Texas State College, pictured above. It is growing month by month under the direction of Glenn A. Truax (inset). From the band has been selected a popular Swing Band, and working with both groups is a West Texas State Variety Show of instrumentalists, vocalists, twirlers, dancers, and readers which is appearing in many Panhandle communities. C. Boone McClure is assistant director of the Variety Show.

West Texas State's Buffalo Band will give a Christmas concert December 17 at 7:30 p. m. in the college auditorium, under the direction of Mr. Glenn A. Truax.

"The Star Spangled Banner" followed by W. T.'s Alma Mater will be the two opening numbers of the concert. The next three numbers include: "Cornell Victorious," by Hibbard Ayer, Jr.; "In a Persian Market," Albert W. Kettelbey; and "Immortal Legions," George Keenan.

An arrangement of "Around the Christmas Tree" by Theodore M. Tobani, consisting of "From Heaven I Was Sent to Earth," "O Come Little Children," "Cantique de Noel," with Ellen Posey as the soloist, "O Pannebaum" (O Faithful Pine), "Silent Night," "Adeste Fidelis," "Tomorrow Will Be Christmas," "O Sanctissima," "The Passing of the Old Year," and "The Sleigh Ride" is the next series of numbers by the band. Irving Berlin's "White Christmas" precedes a colored film of the marching contest on home coming day.

Perkins to Present Christmas Story

Narrator Phillis Perkins, will present Paul Yoder's arrangement of "The Christmas Story." Concluding the program will be all of the old favorites, "Silent Night," "O Little Town of Bethlehem," "It Came Upon a Midnight Clear," "Away in a Manger," "Hark, the Herald Angels Sing," "The First Noel," "O Come All Ye Faithful," "We Three Kings of Orient Are," and "Joy to the World."

Many a fellow in love, can't eat, can't sleep, and can't drink. He's broke.

Museum Gets \$1,000 Donation

Mrs. Avery Turner of
Amarillo Is Donor of
Latest Contribution

A \$1,000 contribution to the building fund of the Plains Museum here has been made by Mrs. Avery Turner of Amarillo. This sum will be used in completing a two-story annex to the museum, for which \$60,000 is being sought. The building is on the West Texas State College campus.

Mrs. Turner and her husband, the late Avery Turner, came to the Panhandle as a young married couple and grew up with the West. Mr. Turner was connected with the Santa Fe railroad. They became interested in the Panhandle-Plains Historical Society when it was first organized and have made many contributions to its work.

When the first unit of the museum was completed, Mr. and Mrs. Turner contributed valuable collections of historical records and artifacts, and obtained many collections from other sources. Since Mr. Turner's death, Mrs. Turner has continued her work as a patron of the museum. She also has written two valuable books on the early history of the Panhandle.

"I am very glad to make my contribution to this worthy enterprise," said Mrs. Turner in presenting the thousand dollar check for the museum building fund.

O. E. S. HAS FAMILY DINNER TO CELEBRATE CHRISTMAS

Monday evening at 6:30 o'clock the members of the Canyon City Chapter No. 105 of the Order of the Eastern Star entertained their families with a Christmas dinner.

Two long tables draped in Christmas red and centered with tall white tapers in apple holder spaced among trailing ivy were set the length of the hall. A shorter table set between the two longer ones and draped in red formed the serving table.

In the East a banner of the City of Bethlehem made the background for the attractive white altar decorations lighted with tall tapers.

Mrs. Lucy Brown at the piano accompanied the group singing of "Holy Night."

Mrs. Emma Coleman, Worthy Matron of the Eastern Star, welcomed the guests. Lee Johnson, Worthy Patron, gave the invocation.

Mrs. Coleman with her family and Mr. Johnson with his family formed the lead for lines at either side of the serving table from which the 115 guests served themselves to

turkey and dressing with all the trimmings. Mince pie was served for dessert.

At the bazaar which was in progress during the gathering of the crowd and after the dinner, better than \$43.00 was made. This money will be used toward buying dishes for the hall.

PRISCILLA CLUB HAS COVERED LUNCHEON WITH WALKER

Mrs. J. J. Walker was hostess to the annual Christmas covered dish luncheon of the Priscilla Club Wednesday, Dec. 5, at 12:30 o'clock.

After lunch the guest gathered around the Christmas tree for the exchange of gifts. The hostess presented each guest with a lovely plaque.

Guests were Mrs. C. M. Presley, Mrs. Frank Hicks, Mrs. Hud Prichard, Mrs. C. M. Dowlen, Mrs. E. SoRelle, Mrs. E. D. Walker, Mrs. Clyde McElroy, Mrs. E. Brown, Mrs. J. Madison Daugherty, Mrs. J. M. White, Mrs. S. B. Louder, Mrs. Alfred Bellah and Mrs. J. L. Duflot. Mrs. Mark L. Foster of Kress was the special guest of Mrs. Walker.

ROSE WALKER CIRCLE REVEALS LOVE SISTERS

The Rose Walker Circle of the Baptist W. M. U. met Tuesday, Dec. 11, in the home of Mrs. Cynthia Anderson.

The entertainment rooms were beautifully decorated for Christmas, including a small tree beneath which many "Love Sister" gifts were placed.

Mrs. Anderson opened the meeting with the devotional.

After the business session, Love Sisters were revealed and gifts presented.

The meeting closed with prayer.

The hostess served dainty sandwiches and coffee to Mrs. I. M. Steen, Mrs. G. B. Combs, Mrs. Jennie Putnam, Mrs. G. W. Johnston, Mrs. Dollie Key, Mrs. R. E. Gill, Mrs. J. C. Dowd, Miss Sylvia Key, Mrs. Jessie Reid, Mrs. C. O. Cooper, Mrs. J. I. Payton, Mrs. C. H. Stratton, Mrs. W. E. Laughery, Mrs. L. C. Ruthart, Mrs. T. T. Pain, Mrs. E. B. Anthony, Mrs. T. T. Burnett, and Mrs. W. E. McCrerey.

MERRY MAIDS AND MATRONS MEET WITH MRS. MURRAY

On Friday afternoon members and guests of the Merry Maids and Matrons met in the home of Mrs. C. A. Murray for an afternoon of "42."

Attractive Christmas decorations gave a gala air to the occasion.

A salad course was served at the tea hour to Mrs. Harris M. Cook, Mrs. S. H. Condon, Mrs. C. M. Dowlen, Mrs. J. A. Gillis, Miss Edna Graham, Mrs. J. A. Hill, Mrs. J. S. Humphreys, Mrs. R. P. Jarrett, Mrs. T. B. McCarter, Mrs. A. W. Sternburg, Mrs. R. A. Terrill, Mrs. Clyde W. Warwick, Mrs. J. J. Walker, Mrs. Lee Johnson, Mrs. Edwin Brown, Mrs. Kelley McGehee, Mrs. Doshier, Mrs. Fred Standley, Mrs. Gus Miller and Mrs. Mary McDonald.

Mrs. Virginia Blackburn and Miss Lynn Blackburn assisted the hostess in entertaining the group.

MRS. FOSTER HOSTESS TO ROSE APPLEBY CIRCLE

The Rose Appleby Circle met Tuesday in the home of Mrs. D. M. Foster for Bible study.

After the opening prayer by Mrs. Roy Johnson, Mrs. Foster brought the devotional from Isaiah 2:2-4, Micah 4:1-4, using as her topic "Peace." "Silent Night, Holy Night" was sung by the group and Mrs. Tom Knighton led in prayer.

After the business session and roll call, Mrs. Lee Johnson led the Bible discussion.

Delicious refreshments were served to Mrs. Roy Johnson, Mrs. A. G. Brant, Mrs. Burney Black, Mrs. Tom Knighton, Mrs. Boyd Moore, Mrs. Frank Hicks, Mrs. Fred Standley, Mrs. Henry Long, Mrs. Lee Johnson, Mrs. Tom Hodges and the hostess.

JENNIE BECHTEL BRIDE OF LT. EUGENE NEWBERRY

Miss Jennie Bechtel of St. Elmo, Ill. became the bride of Lt. Eugene Newberry on November 21 at the Methodist Chapel in San Antonio, Texas.

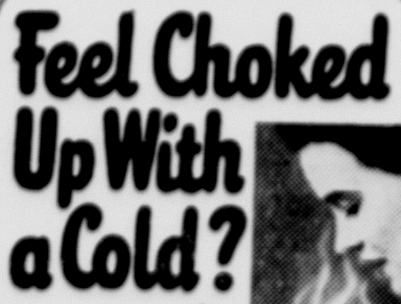

The bride wore a slate gray suit with soft pink blouse and black patent accessories. Her bouquet was of pink sweetheart roses.

Lt. Newberry is stationed at Randolph Field and at present is attached to the Finance Department at the Separation Center there.

The couple are residing at 104 Haywood Street in San Antonio.

Mrs. R. O. Moore of Pittsburg, California, arrived in Canyon Thursday, after a short visit with Lt. and Mrs. Gene Newberry in San Antonio. Mrs. Moore will spend a few days with her sister, Mrs. Ed Mickle and family and other friends and relatives before returning to the West coast.

John Vineyard, Mr. and Mrs. George Vineyard of Big Spring, spent Sunday in the home of Mr. and Mrs. T. S. Maxwell.

Feel Choked Up With a Cold?

DO THIS

TO GET PROMPT RELIEF from distress of those nagging colds that cause coughing and make you feel all stuffed up—put a good spoonful of Vicks VapoRub in a bowl of boiling water.

Then feel relief come as you breathe in the steaming, medicated vapors. These medicated vapors penetrate to the cold-congested upper breathing passages. They soothe irritation, quiet coughing, help clear the head and bring such grand comfort.

FOR ADDED RELIEF... On throat, chest and back at bedtime rub Vicks VapoRub. It works for hours—even while you sleep—to bring relief. Now try this home-tested treatment, tonight.

Bourland, and the hostess.

Common Uses of Mathematics Was Rotary Subject

C. A. Murray talked at the Rotary Club luncheon Tuesday on the "Common Uses of Mathematics."

Mr. Murray stated that the design of the modern automobile lights followed the discovery of Greek mathematicians hundreds of years ago.

Mathematics were also applied in various uses of electricity; to the manufacture of vessels so as to secure the greatest volume from the smallest amount of material; and in the modern practice of installment buying. The latter was illustrated to indicate the high interest rate which was generally charged under the installment plan.

Visitors were: Arch Hunsley, Jack Cunningham, R. E. Wertz, Ross Rogers, all of Amarillo; Bill Godard of Borger; John Patton of Hereford.

Baptist Deacons Are Re-elected

John H. Wright, J. E. Cheyne, J. C. Dowd, Dr. C. E. Donnell, and R. C. Hillier were re-elected Sunday, Dec. 9, by the congregation of the First Baptist Church in Canyon to serve a three-year term as deacons. The active board of deacons, who execute the business transactions of the church, is composed of fifteen men, five of which are elected each year for a three-year term. The other ten now serving are Virgil Henson, Ed L. Phillips, Lee L. Johnson, J. A. Hill, James I. Payton, W. H. Harden, A. B. Holt, John L. Hammond, G. B. Heath and Arthur K. Goodman. Lee L. Johnson is the chairman of the board and Mr. Goodman is the secretary.

Yeoman 3-c Bobby Word, son of Mr. and Mrs. Millard Word of Clarenden and grandson of Mrs. L. S. Ingham, has arrived home on 30 days leave. He has spent 22 months in the Pacific and comes home from Tokyo. After his leave he will report to Camp Elliott for reassignment.

Clarence Thompson returned Sunday night from Temple and Winsboro. In Temple he went through the clinic. He joined his wife at Winsboro to attend the funeral of her sister.

Chesley Croson of Lubbock spent Thursday night with his mother, Mrs. N. A. Croson. Mr. Croson is working with the Meyer and Meyer Hardware Company.

Wayside Items

Rev. E. H. Martin filled his regular appointment Sunday morning with an excellent sermon.

The Sunday School elected new officers for the coming year with LeRoy Roberts for superintendent; Mrs. Othella McGehee as secretary; Mrs. Aline Watson, pianist; and Mrs. George Denny, choir leader. The classes are to elect their own teachers.

Mr. and Mrs. Oren Fisher and little daughter, Melba Ann, and Kenneth Fisher of Canyon, attended church at Wayside Sunday morning.

Mr. and Mrs. Floyd Adams were happy callers Friday afternoon. Mr. and Mrs. Robert Adams took his father, Dan L. Adams to Hot Springs, N. M. for his health.

utilities. The hutments will be located northwest of the Home Management House.

Building problems of West Texas State were discussed, and a ringing demand that the State of Texas provide a library building and a new gymnasium was made at a dinner in Cousins Hall Friday evening, attended by one hundred persons.

The occasion was an appreciation banquet for sponsors of college advertising in the Globe-News during the last year. Dr. J. A. Hill presided. The Buffalo Band played in front of Cousins Hall as the guests assembled, and the Swing Band and units of the Variety Show entertained during the dinner. Glenn A. Truax and C. Boone McClure directed this entertainment.

Ashamed of Library

From H. L. Mills of Houston, member of the Board of Regents and for 35 years business manager of Houston Public Schools, came the statement that "I hung my head in shame when I saw your library." He also was critical of the poor lighting. The gymnasium he called "a disgrace".

Turning to Senator Grady Hazlewood of Amarillo, Regent Mills said, "As a citizen of Texas, I want to tell the Legislature what West Texas State needs. . . . Texas is a rich state. Texas can pay for the best

system of education in the South."

Library Tops List

Dr. Hill pointed out that the proposed library stood at the head of West Texas State's list of buildings for post-war construction. He recalled how in 1923-24 citizens and the faculty provided the gymnasium, where championship teams and All-America players have been developed under poor conditions.

"You have convinced me of your sincerity," said R. L. Thomas, Dallas banker and acting chairman of the Board of Regents. He said the Board was grateful to the advertising sponsors for their support in a constructive campaign. He said the College had three requisites of a good school—a great president, a splendid faculty, and the support of the citizens.

Newton Harrell, another Board member and chairman of the local committee, assisted Dr. Hill as host to the visitors.

Senator Grady Hazlewood of Amarillo, W. T. graduate, was introduced as higher education's most effective booster in the Legislature. The senator gave a short but detailed discussion of the difficulties of pushing appropriations through House and Senate committees.

David M. Warren of Panhandle, vice-chairman of the West Texas State Foundation and vice-president of the Texas University Board of Regents, told of the work of the Foundation and urged that endowments be sought as sources of con-

tinuing income for the college.

Co-Publisher John McCarty of the News-Globe, twice a graduate of West Texas State, told of the origin of the advertising campaign and introduced Paul Allingham and W. T. Stanberry, who handled technical details. Research and copy were furnished by Mrs. T. V. Reeves, head of the Bureau of Public Service. Mrs. Reeves told how names of featured exes were suggested by faculty members and others. She said the ads had given encouragement to many ex-students and inspiration to students and students-to-be.

The dinner followed the advertising theme of "Yesterday . . . Today . . . Tomorrow."

Mr. and Mrs. Harley L. Stone and son of Amarillo were dinner guests in the Guy B. Tabor home Sunday.

The End of the Play

by William M. Chackery

The play is done; the curtain drops, Slow falling, to the prompter's bell;

A moment yet the actor stops And looks around to say farewell. It is an irksome word and task, And when he's laughed and said his say,

He shows as he removes the mask, A face that's anything but gay.

One word, ere yet the evening ends, Let's close it with a parting rhyme, And pledge a hand to all young friends,

As fits the merry Christmas time. On Life's wide scene you, too, have parts, That Fate ere long shall bid you play;

Goodnight! with honest, gentle hearts A kindly greeting go away.

Come wealth or want, come good or ill, Let young and old accept their part, And bow before the Awful Will.

And bear it with an honest heart, Who misses, or who wins the prize. Go, lose or conquer, if you can; But if you fail or if you rise,

Be each, pray God, a gentleman. A gentleman or old or young! (Bear kindly with my humble lays).

The sacred chorus first was sung Upon the first of Christmas days. The shepherds heard it overhead—The joyful angels raised it then: Glory to heaven on high, it said, And peace on earth to gentle men.

My song, same this, it little worth; I lay the weary pen aside, And wish you health and love and mirth,

As fits the holy Christmas-tide As fits the holy Christmas birth. Be this, good friends, our carol still—Be peace on earth, be peace on earth, To men of gentle will.

Caesar Practical; First to Hint of Gifts He Wanted

As soon as man became sufficiently civilized to devise himself some sort of a calendar, the festival of the New Year assumed importance and was designated as the proper time for gaiety, hospitality, and gift-giving.

This spirit of gift-giving presumably continued upon a haphazard path until Julius Caesar hit upon the brilliant idea of "hinting" as to the amount of money or specific "gift" he expected to receive from such and such a person.

The conquering Romans carried the custom of "ordering" precise gifts with them when they invaded the British Isles. Centuries later, the kings and queens of England, who were not as wealthy as they were reported to be, revived the custom of Caesar's day. On one New Year's day, the money and value of presents received by Henry VIII amounted to nearly 800 pounds—or about \$4,000. Queen Elizabeth used the same method upon her favorites and courtiers, thereby replenishing her wardrobe with petticoats, mantles, gowns, and silk stockings, to say nothing of the bracelets, necklaces, and caskets of precious stones commandeered in like manner.

In modern America, Christmas is the gift-givingest day of all, but every child who writes a letter to Santa Claus and every fair lady who conspicuously mentions the name of her favorite perfume is perpetuating a New Year's custom invented by Julius Caesar and effectively used by medieval royalty.

Need Little to Keep Faith With Children at Yule

Tonight, perhaps some soldier is less lonely because he remembers the sled or drum or train he found beneath his Christmas tree one morning long ago.

It takes so little to keep faith with the children. Madame Schumann-Heink remembered one Christmas all her life. She was perhaps seven or eight when times were very hard and it did not seem as if very much was going to be left for her. But on Christmas morning, the little girl found she had been remembered. Her treasure? It was an orange, round and yellow, and her very own. Just one orange saved that Christmas day for all eternity. Years later, a famous lady realized the love and sacrifice and ideals that orange represented.

'Pin Money'

Until quite recently, pins were made of wire and were very expensive—and highly prized. So, it became customary for men in ordinary circumstances to give their wives and daughters "pin money" on New Year's day.

Chapel Drive Proves Success

Students' Donations And Pledges Total \$1,030

WANTED: \$32,000 to complete funds for a college chapel.

Two hundred students' and two hundred campus organizations' donations and pledges totaled \$1,030 during the drive held last week for the chapel. Of this sum, \$450 is the pledged amount.

Kappa Tau Phi sorority pledged \$100, as did Gamma Phi sorority. Mary Evelyn Foster, chairman of the steering committee, states that more donations are expected. Many students do not yet know how much they can give.

Including this amount, \$18,000 has been raised through people all over Texas, and even from people out of the State.

Pledge cards were passed to students in assembly hour Thursday, so that those who desired to donate could fill in the slips. The general committee will either collect the pledges or see that they are turned in to Anita Goodrich, secretary of President Hill. She will give receipts to the students who bring their money to her.

"I believe the drive was a success and the student body became more aware of its responsibility in making it their chapel," Mary Evelyn Foster said.

The chapel will be built on the

temporary location of the Veteran's Administration Center.

The steering committee consists of Mary Evelyn Foster, Bob Kilgore, Lindsay Boyd, Winnie Fred Ramage, and Waldeen Dorris.

Miss Erdman Writes In Education Journal

"Everywhere Christmas," by Miss Loula Grace Erdman, appears on page 185 of the December Journal of the National Education Association.

The heading of the article shows that Miss Erdman is a member of the faculty of West Texas State College.

The article is based upon the significance of the public school as shown through the happenings in connection with the Christmas program in a small place.

A clerk was drawn for jury duty, but he asked the judge to excuse him.

"We're very busy at the office just now," he explained, "and I've got to be there."

"So you think your employer can't get along without you, eh?" queried the judge.

"No, your honor," replied the man, "I think he can but I don't want him to find it out."

"Excused," said the judge.

WILL THERE BE A STEEL STRIKE?

Not if the CIO abides by its pledged word, given only last spring.

Question: What would be the general effect on the country of a steel strike?

Answer: Over 40 percent of all the factory workers in the country earn their living by making steel into useful products for American life. A shut-down of the steel industry would be a disastrous blow to reconversion and would cause a serious loss in both wages and industrial production at a time when they were most needed.

Question: Is it true that the Steelworkers Union has pledged itself not to strike?

Answer: Yes. Every contract which the Union has signed this year with the various steel companies has a clause wherein the Union agrees not to strike during the life of the contract.

Question: Are those contracts still in effect?

Answer: Yes. They were signed in the spring of 1945 to run until October, 1946.

Question: Who signed for the Union?

Answer: Its international officials—Philip Murray, Van Bittner, Clinton Golden and others—and the local Union heads at the various plants.

Question: Is there no "escape clause" by which either side could end the agreements?

Answer: No. The Union demanded a fixed, long-term contract and got it.

Question: Why did they want a long-term contract?

Answer: In the Union's own words before the War Labor Board, "The Union's request for a termination date of October, 1946, is not made capriciously or pressed here for bargaining purposes. It represents the considered view of the Union that only such a term will adequately serve the needs of stability."

Question: Did the recent strike vote violate the contracts?

Answer: No. Only an actual strike would violate them.

Question: Haven't there been strikes already during the life of the contracts?

Answer: Yes. There were 998 strikes in steel plants during the past year alone. They were mostly local strikes which the Union characterizes as "wildcat," but they meant a big loss in production.

Question: Does the end of the war justify changing the contracts?

Answer: No. The bond was sealed on both sides and should be kept whether times be good or bad. The steel companies are continuing to live up to these agreements. If a strike is called, it will be in clear violation of the existing contracts.

* * * * *

A strike in the face of existing contracts would shatter any confidence in the validity of union agreements in the steel industry.

Colorful Homemade Decorations Lend Gaiety to Christmas Tree

Contriving homemade Christmas wreaths is a family project that can provide fun for youngsters and adults alike. Moreover, it offers chances for ingenuity in design that may awaken the inventive spirit of everybody concerned.

The materials are usually not hard to find. Designs can be based on a few basic ideas which can be expanded into almost endless variety.

For Christmas wreaths, various greens, wire, binder twine and string are of course, the principal ingredients. The greens may come from the home yard, neighboring woods or a convenient florist. Among common varieties are holly, pine, spruce,

the tips of branches, cutting the material into sprays about half a foot long. Hold the material in the left hand and place it on the frame with the right. Tie the first spray securely with binder twine, or if you have it, fine spool wire. Add successive groups of sprays, facing them in the same direction as the first spray and being certain to tie them securely, too. Watch the outline of the wreath as you proceed, so the greens are evenly distributed and the contour of the circle is preserved.

Some irregularities and bunching may of course occur regardless of how careful your work is. These can be corrected by using shears to trim off excess foliage. After the wreath is finished it is still possible to add decorative features, such as pine cones, berries or small fruits. These should be wired at the stems and then fastened securely to the wreath.

Sizes and types of wreaths will depend on the materials available and to a certain extent on the family's geographical location. But many variations on the basic design will suggest themselves, once the project of wreath-making is undertaken.

boxwood, yew, arborvitae, ivy and mountain laurel. For color, such fruits as crabapples, cranberries, grapes, or small tangerines may be added. A coat of shellac will help preserve the fruit.

First, it is wise to decide the size of the wreaths you want and then work from there.

If the wreath is to be small—say not to exceed three feet in circumference—the frame can be made from a coat hanger that is straightened out and then fashioned into the form of a circle. For larger wreaths, several coat hangers may be combined to form a frame, or else wire salvaged from some farm or home operation can be utilized.

Among greens best suited for small wreaths are holly, boxwood, yew or arborvitae. For larger wreaths, holly, pine, fir, ivy are effective.

So far as possible, in working with evergreens, it is advisable to use

Nightly Posadas Drama Of Nine-Day Christmas

In Mexico, "Posadas" commemorate the journey of Mary and Joseph and their attempt to find lodging in Bethlehem.

Families and friends are divided into two groups—the Holy Pilgrims and the Cruel Hearted Innkeepers. The Pilgrims, led by an angel guiding Mary and Joseph, march through the house carrying lighted candles and singing the Litany of Loretto.

The Innkeepers slip into a room and close the door; soon Joseph begs entrance, which is refused until much coaxing and explanation reveal how desperately Mary needs shelter and the Pilgrims are finally admitted whereupon the whole assembly kneels in prayer before an improvised altar.

After the "Posada" is over, refreshments are served and the evening is spent in jollification.

CHAPTER II

The Gas Is "Squeezed"

In Chapter I we told you something about drilling a gas well. Now we will see what happens to the gas when it is released from the reservoir in which it was trapped sometime back in geologic history.

A small meter house is built near the well and connected to it with a short pipe line. Then a gathering line is installed and connected, and the well is ready to yield up the wonderful fuel which means so much to us all.

The natural gas comes up through the well casing to the surface of the ground and thence to the meter house where it is measured, so that proper accounting may be made to the owner of the land. Measurement of the gas consists of installing an orifice in the gas line and making calculations from the resulting pressures on each side of the orifice. These pressures are recorded in ink on circular, clock-revolved charts. From the meter house the gas passes into the gathering line which leads it to a field compressor station.

From the well to the field compressor station, the gas travels on its own power—that is, it is forced along by the natural pressure in its underground reservoir. The gas could travel a considerable distance in this manner, but due to the loss in pressure through pipe line friction, the delivery of large quantities of gas would require a pipe line of such large size that the cost would be prohibitive. Therefore the pressure of the gas must be increased, this being the function of the compressor station.

Compressing gas is very much like baling cotton—it merely squeezes it into a smaller space so that more of it may be transported with the same facilities, and in shorter time. Gas compressors are large, precision-built machines of great strength to withstand tremendous pressures. Our compressors are driven by gas engines. The gas enters the compressor cylinder, is compressed by the action of the piston, and is discharged at a much higher pressure.

Some folks have the impression that compressing natural gas consists of pumping air into a gas line. This of course is not correct. If air were introduced into a gas line under pressure, there would be great danger of an explosion of the whole line, due to the air mixing with the gas and forming an explosive mixture.

Urgent Need For Clothing In the January Drive

The President's War Relief Control Board has called upon all overseas war relief agencies in America to support the Victory Clothing Collection on behalf of UNRRA in one united nation-wide endeavor to collect clothing that is desperately needed in bombed-out lands, it was announced today by Henry J. Kaiser, national chairman of the Victory Clothing Collection, scheduled for Jan. 7-31.

Joseph E. Davies is chairman of the President's War Relief Control Board which was set up by an Executive Order to authorize and regulate the collection by voluntary agencies of funds and goods for overseas relief. Other Board members are Charles P. Taft and Charles Warren.

In making public the Board's directive, Mr. Kaiser stated that it was in line with a recommendation of President Truman who called the January clothing drive imperative and who declared, "The universal response last spring, when all groups concerned with problems of war relief joined with the United Nations Relief and Rehabilitation Administration in one great national clothing appeal has proven beyond any doubt the value and efficiency of the united endeavor."

Mr. Kaiser also made public a strong endorsement of the Victory Clothing Collection by the American Council of Voluntary Agencies for Foreign Service, of which Dr. Joseph P. Chamberlain is chairman. This endorsement urged its 58 member agencies to make the Victory Collection a truly consolidated effort, and to abstain from any competing collection from Dec. -5, 1945 to Feb. 15, 1946.

The statement issued by the President's War Relief Control Board approved the plans for the Victory Clothing Collection and recommended full use of all community facilities throughout the nation in support of the Collection. It directed the more than 75 war relief agencies registered with the Board or subject to its jurisdiction not to "initiate or carry out any national or local public campaign to collect clothing for war relief purposes between the dates of Dec. 15 and Feb. 15, except in collaboration with and for the benefit of the Victory Clothing Collection."

Mr. Kaiser reported that 7,797 communities throughout America are already organizing local clothing drives under the direction of the 3,514 men and women who have so far accepted appointment as local chairmen.

Evolution Given Of Santa Claus

St. Nicholas and Santa Claus met at the Sunday School Christmas party and, being sort of busy right then, agreed to rendezvous at midnight under the Christmas tree.

St. Nicholas, a lean Asiatic wearing his miter and canonical robes, spoke first:

"I lived in Asia Minor some 1600 years ago. I was Archbishop of Myra and, while living on earth, I did drop a few purses of gold down a poor man's chimney so his daughters could be supplied with dowries. European countries celebrate my liturgical Feast Day—December 6—as a day of gift-giving and for centuries I rode across Europe on my old gray mare; my pockets bulged with apples and nuts and trinkets, which I gave to good children while switching the naughty

ones with my bundle of birch rods. But what is all this Christmas business—and where did that red suit come from?"

"When the Dutch settlers came to America," replied Santa Claus, "they brought many legends about St. Nicholas with them. These legends, with writers and cartoonists cooperating, gradually slipped into American traditions; Santa Claus started coming around at Christmas time; Washington Irving suggested the sleigh and reindeer in 1809; Thomas Nast supplied the red suit, and Dr. Clement Moore sort of tied the whole idea together when he wrote 'The Visit of St. Nicholas' in 1822."

Someone forgot to turn out the lights after the Sunday School party—and St. Nicholas was so interested in Santa's zippered boots that he forgot his bundle of birch rods.

Eleven Visiting Teams Try Strength in Tournament

At an invitation basketball tournament to be held December 14 and 15, Canyon High School will be host to eleven visiting basketball teams from various towns in the Panhandle.

Scheduled to play Friday in the tournament are White Deer and Tulsa at 10:00 a. m. Claude and Dumas at 11:00 a. m. Canadian and Stratford at 2:00 p. m. Hereford and Canyon High School at 4:00 p. m. and Dimmitt and Friona at 5:00 p. m.

At 7:30 p. m. Friday the winners of the games between White Deer and Tulsa and Claude and Dumas will play. At 8:30 p. m. the winners of the Canadian-Stratford and West Texas-Spearman game will play.

In the first game Saturday morning at 10:00 a. m., the champs of the Dimmitt-Friona and Hereford-Canyon High games will play a semi-final tilt.

At 11:00 a. m. Saturday the two winners of the 7:30 and 8:30 games on Friday will play another semi-final game, the finals being scheduled for 2:30 p. m. Saturday afternoon.

Tickets may be purchased on Thursday or at the games Friday and Saturday. Admission will be twenty cents for high school students and thirty-five for adults.

EAT TO LIVE

Have you ever seen a donkey eat his hay? Or a cow chew her cud? Some people may not know it but that is exactly how they look when eating.

Shoveling a mouthful down without "masticating" it well isn't good for one; in fact it is said that it shortens one's life. We, the students, are allowed forty minutes in which to eat our lunch. Let's take this time to eat it. I mean really eat it! You'll find that you'll enjoy your lunch more; besides digesting it better, and assist one in clearer thinking.

Here I am, back again with the latest dope—well most of it. You'll just have to pardon me if I miss some because:

All the kids have had the flu. And so, Ole Cal, he got it too.

Oh, that Billy Cleavenger, what a man! The girls were swooning all over the place Friday night when he made those two beautiful shots. And they hit the goal, too! Keep that up Bill, and you'll be the star player in ten or twelve years.

Wayne Davis, have you found out who that blind date to the F. H. A. party is? I think I know, but I'll just give you a hint. She is a sophomore, and very sweet and pretty too!

Cal was just wondering if Carl Gene Crow and Joyce Thurman know how to write "I can be quiet in class." Mrs. Ball evidently thought they should learn how. Anyway, they wrote it one hundred times.

Gerald McDuff and Janey Forrester were doing O. K. Saturday night in the show. Janey, are you trying to make Richard jealous?

What has happened to that once flaming romance between Don Hickman and Sue Dickerson? Every-one was shocked to hear they had broken up. Hey, kids, won't you please explain!

Latest pickup:
James Inman is certainly getting around here of late. He was seen (apparently having a good time) with Dorothy Berry Friday night after the ball game, and someone told me that he even had a date with Joan Byars Saturday night. James where does Juanita Aven come in? Maybe we should ask Benny Pveatt about that.

Jean Hill, you'd better watch out. I know someone who enjoys making eyes at you in history class. What about that, Guy Brant?

Billy Abbott, you may not know this, but Louise Blewett thinks you are swell, cute, lovy', and all that stuff. She is casting longing glances at you.

Clifford Burtz has turned his interest to the freshman class. He and Verne Davenport were doing right well at the show Saturday night. Have a good time, huh?

That's all the gossip I have for now, but I'll be back next week.

During the second semester Louise Dickinson will edit the "Eagle's Tale." Frances Gooch will serve as assistant editor; Shirley Harrison will be second assistant editor; and Geneva McDougal will assume duties as business manager.

Cowboys Defeat Eagle Cagemen

Playing the second game of the season, the Eagles' first string lost to the Happy Cowboys Friday, December 9, with a final score of 31-24.

With the Eagles in the lead 15-11 at the half, the Happy Cowboys brought their score on up, point by point, as the minutes ticked off. With only fifteen seconds left to play, Wright fouled out but was allowed to finish the game due to the short time limit left. High point men for this game were Wright and Burrus, each with 6 points. Abbott next with 5. Playing as the starting lineup was Burrus, Wright, Walters, Long and Abbott, with Wall and Guthrie substituting.

In the second string game, Lindsey was high point man with 15 points. The score at the third quarter was 24-7 and the final score 33-9. Playing the second string were Fite, Rhodes, Guthrie, Lindsey, and Wall.

Members of the Eagle's basketball team chosen as first string are: Austell Burrus, guard; M. E. Rhodes, guard; Charles Wright, center; Billy Abbott, forward; and Wilbert Long, forward. Second stringers are: Richard Walters, guard; Easton Wall, guard; Weldon Lindsey, center; James Guthrie, forward; and Marvin Fite, forward. Charles Wright and Billy Abbott will act as co-captains for the team.

Yes, the Eagles came out victorious when they visited the Happy Cowboys, Tuesday, December 4. The second string doubled the score thirty-two to sixteen with James Guthrie high point man, making fourteen points. In the first string game, Billy Abbott helped our thirty-three points along with fourteen points to his credit while the Cowboys made twenty-four points.

Friday, December 7, the Eagles were hosts to the Cowboys for two more games. The Eagles' second string won again with the score thirty-three to nine. Weldon Lindsey was high point man and made fifteen points. Much to our surprise, the Cowboy's first string won over the Eagles 31 to 24 with Charles Wright and Austell Burrus high point men. Each made six points.

Remember this: Canyon is host for the Invitational Basketball Tournament next Friday and Saturday and we want all our guests to feel at home, so let's show them our best sportsmanship. It is a great honor to have the tournament at our school and let's show our appreciation to all the teams by acting as good hosts. We need places for these visiting boys to spend the night and a good breakfast the next morning, so if anyone can furnish the necessary requirements please turn your name and number of boys in to Bill Davis.

Members of the Student Faculty Congress elected Ray McDonald by acclamation as parliamentarian to fill the vacancy left by Malcolm Gunter, who resigned December 5. After discussing bonds and stamps sales, it was decided that the representatives should make announcements in their own classes' bond campaigns.

A round table discussion was held on the new rules introduced by the faculty.

A Texas-born major was cautioning his all-Texas company on their behavior toward the Japanese in occupied territory. "Our job is to police," he told them, "not to re-educate. Don't try to argue with the natives—even if they say that Japan is bigger than Texas!"

Hornstra Assumes Regular Position

Mrs. Wilma C. Hornstra, new history and English teacher in Canyon High School, has a permanent high school certificate from Springfield, South Dakota, as her degree.

Having finished both grade and high school at Lesterville, South Dakota, Mrs. Hornstra entered all speech contests and eight high school plays; belonged to the Debate Club; and in 1934 and '35 was editor of the school paper.

While in college, Mrs. Hornstra belonged to the Delta Psi Omega Sorority, and the Dramatic Club, also, specialized in Primary Education, and minored in speech.

As a brush-up course she went to business school in Los Angeles. In Ingwood, California, she worked one and one-half years in an airplane parts factory for trainers.

Her hobbies are: taking snapshots, collecting odd "What-nots," and writing letters. She averaged twenty letters a week while not teaching school. She wrote to eleven servicemen overseas while the war was on and one was a prisoner of war for two years, but didn't get a tenth of the letters she wrote him.

Her sport is baseball; song, "Till the End of Time," food, fried chicken; drink, coffee; and color, blue. She also plays the piano well.

"High school teaching is far more interesting and enjoyable than I thought it would be, and I enjoy it very much," stated Mrs. Hornstra.

Pfc. Arthur B. Duncan '43 graduate of Canyon High School, of the U. S. Army Air Corps is home on a seventeen day furlough. He was inducted into the army December 29, 1943 and received his basic training at Amarillo Field. He is now stationed at a B-29 base in Pratt, Kansas where he will report for duty December 17.

EM 3-c Carol Dooley returned to Seattle, Washington, December 3, after having spent a thirty day leave in Canyon visiting his family and friends. This '39 graduate of C. H. S. has been in the navy four years and was wounded twice while on convoy duty in the Atlantic.

Billy Baker of the U. S. Navy is home on a short leave and will report back to his base for further duty soon.

Wilson, Sophomore, Is Selected Pearl Harbor Day Sweetheart

Victory Bond Sales Average \$1927 In Friday's Drive

Martha Wilson, sophomore, became Pearl Harbor Day Sweetheart, in the bond sales drive, December 7, in the high school auditorium.

Beginning the Pearl Harbor Day assembly, Malcolm Gunter, president of the student body led the group in the Pledge of Allegiance to the flag.

Dr. J. B. Speer called the candidates to the stage and introduced them as follows: Pauline Ruthart, senior; Zonelle Gregg, junior; Martha Wilson, sophomore; Janey Forrester, freshman; Ava Dooley, eighth grade; and Ruby Lee Bonds, seventh grade. Dr. Speer then gave explanations for the buying and selling of the stamps and bonds.

After the sales were completed, Malcolm Gunter presented a corsage of ten and twenty-five cent victory stamps on a background of cedar and tied with red ribbon, to the winner, Martha Wilson.

Bond and stamp sales totaled approximately \$1927.00, classes selling as follows: seniors, \$140.15; juniors, \$133.90; sophomores, \$538.50; freshman, \$221.25; eighth grade, \$507.15; and the seventh grade, \$386.05.

"The officials at the bank and Mr. Harp at the post office state that our Pearl Harbor Bond Drive put Randall County over its quota for series E bonds. I wish to thank the student body for its splendid work throughout the drive," stated Dr. Speer.

History Vitalizes Past Happenings

History takes its place among the favored courses in Canyon High School, according to Mrs. Wilma C. Hornstra, newly elected history instructor.

"To study history is to relive the story of the past, to acquaint ourselves with the lives of great men and women, and to observe the outcome of their actions. It enlarges our experience by enabling us to forecast the outcome of situations," states Mrs. Hornstra.

Several of the students in each of the classes are writing prophecies on what will be happening in Washington D. C. and other parts of the world ten and twenty years from now.

Forty-nine students in Canyon High School are enrolled in World History classes and there are forty-six taking American History. Both classes have had steady increases in enrollment since the opening of school.

"Students are showing a keen interest in this subject and grades, for this six weeks, show a definite improvement over last six weeks," said Mrs. Hornstra.

FHA Club Plans Christmas Party

Future Homemakers of America met in the homemaking room, Wednesday morning, December 5, from 8:30 until 9:00.

Plans were discussed for a formal Christmas party to be held Tuesday evening December 18 at 7:30 p. m. in the high school gym. Each girl is to invite a boy and bring two gifts; one for the invited boy and one for a girl in the F. H. A. These gifts are to cost not more than a dollar and not less than fifty cents. The girls, also, are to bring twenty cents each to help defray expenses.

December 12 marks the date on which members will hold their regular night meeting.

THANKS, STUDENTS

Mr. and Mrs. Wilkinson wish to express their sincere thanks to everyone in Canyon High School for the splendid co-operation in making their place of business successful and for keeping it clean.

Buff Malone Is All-American Guard

J. W. Malone 1945 selection for All-American guard from West Texas State College is picturesquely shown above handling the ball. Malone, a sophomore from Stratford, has certainly made for himself a name in basketball history across the nation as well as West Texas State.

In a recent article from the Amarillo Daily News, J. W. Malone has been described as "Always putting on a show." People who have travelled long distances to see Jay in action have certainly been far from a disappointment. Malone is unbelievably fast in dribbling the ball down court, dodging out and around players with such accuracy that fans are simply filled with amazement. The fans and his teammates have an unusually hard time trying to keep up with Malone and his magnificent ball handling. He moves faster than most players without the ball. For the 1945-46 season Malone is leading scorer thus far.

Playing at the other guard position is Borden Price, a senior and former team captain for the Buffaloes. Borden recently returned to West Texas State College after serving a hitch with the U. S. Army Air Corps. He was rescued by a U. S. submarine from the Pacific after he and the remainder of his B-29 crew had bailed out. Price is 29 years of age but to see him play one would believe he was much younger.

Starting at center is 6 foot 6 inch Hank Decker from Richmond, Ind. Forwards are the 6 foot 2 inch son of Coach Gus Miller, Bill, and 6 foot 4 inch Don Leach. The Buffs have already played

games with Sheppard Field of Wichita Falls and the Hereford Prisoner of War Camp. December 14-15 the Buffs have games in Canyon and Amarillo with the Amarillo Army Air Field Sky Giants. December 21 and 22 brings on a double header at Kansas City with Loyola and Valparaiso Universities. Loyola is defending champion of the 1945 National Cage Title.

A man who calls his wife an angel explains that she is always up in the air and harping on something. Then there was the spinster who said she didn't need a husband as she had a parrot that swore, a stove that smoked and a cat that stayed out at night. However, when a man phoned one day and asked the maiden lady, "Will you marry me?" she said, "Yes—who is this speaking?"

Just a few observations: The world has two classes of people: Those who are willing to work and those who are willing to let them work.

No man can be wrong all the time. Even a clock that isn't running shows the correct time once every 12 hours.

If a cat has kittens in an oven, that doesn't make them biscuit.

There's nothing like being able to adapt yourself to your surroundings—like the applicant for a job of teaching school in a mountain district. Asked whether he taught that the world was round or that it was flat, he replied, "I teach the round system or the flat system—which ever the trustees want."

And—to give a very serious illustration—like the time that Jeff Davis (the Arkansas one) was making a speech to a jury in a damage suit as the result of a pathetic accident wherein a little boy's foot was caught in a rail and he was crippled by a train. Governor Davis said:

"His mother looked on as the mighty engine bore down upon him, powerless to aid her helpless boy." The opposing attorney interposed, "But, governor, his mother was dead."

Davis thundered, "I mean, gentlemen of the jury, she looked down from the golden balustrade of heaven."

The fact that the child had been a half-orphan caused the jury to bring in a bigger verdict.

Buckety - Buck!

The buckboard, even when hitched behind a fine span of stepping horses, was a lurching, jolting, tiresome conveyance... a far cry from modern automobiles. It was a distinctively American vehicle, however, widely used in newly settled sections for everything from fetching groceries to driving the school marm.

Diet For Children Must Be Guarded Says Health Officer

Discussing the food requirements of a child enjoying maximum health, Dr. Geo. W. Cox, State Health Officer, has stressed the importance of a well-rounded diet and stated that a healthy and well-nourished child enjoys life because he is physically fit.

Emphasizing the importance to health of an adequate and well-balanced diet, Dr. Cox stated further that when a child is in good health, his appetite is good, elimination is regular and sleep is sound and untroubled.

"A child's appearance can usually help parents to judge the state of his nutrition. A well-nourished child has good skin color and there is a moderate padding of fat over the bones and muscles of the arms, legs and body. Muscles are well developed and strong. Teeth are good and the gums are firm and light pink," Dr. Cox said.

The State Health Officer stated that finicky appetite or a tired feeling after a little exertion indicates possible malnutrition and the child should see the family physician. Poor appetite can also mean the beginning of an illness and possibly that the child does not require as much food as he is being urged to eat.

Required as a diet for the preschool child and those of school age, Dr. Cox included milk, fruit, vegetables, eggs, meat, fish or cheese, cereal and bread and added that cod liver oil and other vitamin preparations are important in winter and early spring but should be prescribed by the family physician.

The homecoming welcome for our war veterans was well attended and an interesting program was given by some old and young talent of our community. Veterans attending were: Mr. and Mrs. Artie Branner from Amarillo, Willie Modisette, Vernon Duff, Mr. and Mrs. Lawrence Moore, Priestly Rogers, Mr. and Mrs. Wayne Wesley, Mr. and Mrs. Pat Allen, Mr. and Mrs. Howard Slack. Other visitors were Bro. and Mrs. Martin and son, Mr. and Mrs. Thomas, Mr. and Mrs. A. E. Wesley and 4 daughters from Amarillo.

Troy Wayne Sharpes was taken to St. Anthony's Hospital Tuesday suffering with an attack of appendicitis. He was able to return home Thursday.

Mrs. C. M. Rogers is improving slowly.

At the call Centerview Demonstration Club meeting with Mrs. S. P. Sharpes Friday, plans were completed for the club Christmas tree.

Mr. and Mrs. Pat Allen and Betty left for Clyde, Texas to visit with his parents.

Fayerene Schaeffer visited in the parental E. W. Schaeffer home over the week end.

Laverne Amerson visited her sister, Vesta, over the week end. The Farm Bureau will sponsor a

get-together at the church house Friday evening. Everyone is cordially invited and urged to attend this meeting. Games will be played and refreshments served.

Mr. and Mrs. J. W. Wesley, Vesta, Laverne and Lavina Amerson, and Mr. and Mrs. G. E. Wesley enjoyed the singing at Salem Friday evening.

PRESBYTERIAN CHURCH

A Candlelight and White Gift Service will be held at the Presbyterian Church on Sunday evening at 5:30. The beginner-primary pupils will sing "Away in the Manger" and "Silent Night." Mrs. Lee Foster and Mrs. J. D. Barker will play an organ-piano duet, "A Christmas Eve Memory." The choir will sing "It Came Upon a Midnight Clear." A short play, "The Symbols of Christmas" will be given with Miss Mae Simmons playing the part of the mother, Sybil Ann Gillis the daughter, and Robert K. Jones the son.

White gifts will be given for the boys and girls in the Presbyterian Home in Amarillo. An offering will also be received for the Home.

The community is invited to this service.

"Who has done most to arouse the working class?" asked the professor.

"The alarm clock inventor," was the prompt answer.
